

Literacy – including phonics

Start phase 4 phonics
Learn how to read -ed words
Learn how to read longer words
Continue learning to use our phonic knowledge to decode
Become a more fluent reader
Apply our phonic knowledge to write sentences.
Practice reading our writing and making sure others can read it.
Continue sharing and talking about stories
Our Talk for writing text is 'The Enormous Turnip'

Expressive Arts and Design

We will continue to use our voices and instruments in time to music.
Construct with different materials and join them in different ways.
Take on a role in pretend play and develop a storyline

Communication and Language

Express ideas & feelings in full sentences
Engage in back & forth conversation.
To listen and respond showing understanding.
Expand our vocabulary with our wow words.

EYFS Summer 1

What can we grow?

Understanding the World

Name & describe some plants, including fruit and vegetables
Draw attention to the weather & explore ways to record the weather.
Observe plants, name them and draw pictures of them.
Observe & interact with floating and sinking

Personal, Social and Emotional Development

Exploring our friendships and how to be a good friend.
How to calm ourselves when we feel out of control

Mathematics

We will continue to develop our counting skills. We will explore a range of representations of numbers such as the 10-frame and see how doubles can be arranged in a 10-frame.
We will compare quantities and numbers including sets of objects which have different attributes.
We will continue to identify when sets can be subitised.

$$\begin{array}{r} 2 \\ +3 \\ \hline 5 \end{array}$$

Physical Development

Creative games

Create our own games.
Be willing to 'have a go'
Following rules and understand why they are important.
Work with others to develop communication skills.
