

English

Our fiction Talk for Writing text is Ridiculous! We will be learning more about winter through this story.

We will also be learning a non-fiction text about winter.

The children will continue to develop their handwriting, focussing on letter size and presentation.

Music

Children will be learning a new song- 'In the Groove' which allows children to experience different music styles. The children will continue to play the glockenspiel to accompany the song.

Art

The children will be exploring colour, pattern and shape using different brush size in painting, producing work inspired by famous artists.

Science

Children will be developing their knowledge of seasonal changes further whilst learning about the weather.

Year 1 – Spring 1

What's special about winter?

Geography

The children will be learning about the local area and identifying human and physical features of Luton. Children will use globes and atlases and learn simple compass directions.

Computing

Children will create media using digital tools. They will use technology purposefully to create, organise and retrieve their work.

RE

Children will learn about what is the 'Good News' that Christians believe that Jesus brings.

Maths

The children will be learning about place value – numbers 10-20, addition and subtraction up to 20.

PSHE

The children will learning about money; what it is, where it comes from and what we do with it.

PE

Indoor PE will be gymnastics and the children will be developing anticipation and reaction when catching a ball during their outdoor lessons.
