

English

We will be developing dialogue skills whilst writing finding tales.

In our non-fiction unit, we will be writing a non-chronological report based on Terrific Technology.

Music

We will be following the '*Finish this*' music-making programme was inspired by the English National Opera's performance of Mozart's famously "un-finished" Requiem. We will be develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory.

Art

We will be studying the work of notable artists, drawing on ideas and techniques to create a piece of Pop Art.

Science

During this unit, children will continue to explore properties and changes in materials.

Year 5
How do we communicate?
Autumn 2

History

We will be learning about how inventions help us to communicate with a focus on significant individuals who have made a difference in this area, including Alexander Graham Bell and Lewis Latimer.

PSHE We will be identifying job interests and aspirations, what influences career choices; workplace stereotypes.

Computing - What is a video?

We will learn how to create short videos and develop the skills of capturing, editing, and manipulating video.

RE

During this unit of work, we will be learning to recognise what matters most to Humanists and Christians.

Maths

Addition and subtraction (including column methods)

Measurement and area

Multiplication and division (including times tables)

French

We will learn to describe our appearance and will be introduced to some key grammatical features of French, such as the position and agreement of adjectives. They will develop their conversational skills, learning to talk about emotions and health.

PE

Indoor – Orienteering skills

Outdoor – Netball skills
