MEETING INDIVIDUAL NEEDS... TO THE BEST OF OUR ABILITY

### Partnership with Thinksport

#### Exciting news!

We are delighted to inform you that following feedback from the children and their families, we have established a partnership with Thinksport. They will be coming into school to offer after school sports clubs.

#### Who are Thinksport?

*Below are some extracts from their website that tell you a little bit more about them...*

*Thinksport Coaching Ltd is a leading sports provision company in the Home Counties region. Educating and inspiring the next generation of talent in sport by delivering National Curriculum PE lessons, extra-curricular sessions in schools, or delivering our fantastic summer camps.*

#### Extra-Curricular Activities

*The extracurricular sports clubs we provide are specialised coaching sessions comprising a range of activities designed to demonstrate the benefits of involvement in sports, and to enrich the lives of young people. These clubs help contribute to the government's initiative of five hours of quality PE and sport per week.*

*The main objective of our extracurricular programme is to have fun while promoting a healthy lifestyle as well as helping to develop self-esteem, confident, social skills, sportsmanship and teamwork all the while maintaining a realistic perspective of competition.*

*With a comprehensive range of sporting activities, each club concludes with the coach giving out the prestigious "Player of the Week" certificate, which is awarded to the child who makes the most effort that session. This award is extremely popular part of the programme and gives the winner a real sense of success and achievement.*
