30th September 2022

Dear Parents/Carers,

On Monday 6th October, Year 5 will be celebrating our Science and Curriculum topic by having a 'Space day' in the school hall.

In the morning, we will have a mobile planetarium where the children will be able to get up close and personal with our solar system and other exciting areas of space.

In the afternoon, both classes will come together to take part in an engaging and educational workshop that will deepen their understanding of our topic.

For more information on the mobile planetarium and workshop, please click on the link below.

[Starlight STEM Limited – Mobile planetarium in the England](#)

We are asking for a voluntary contribution of £6.50 in order to fund the experience.

Kind Regards,

Mrs L Howes

Miss P Sutton CO-HEADTEACHER *Assessment & Maths Coordinator*

Mrs S Bains CO-HEADTEACHER *Special Educational Needs Coordinator (SENCO)*

To contact either Headteacher please email headteacher@bramingham.net
