Aims

Bramingham Primary School Governing Body recognises the valuable contribution that a wide range of additional activities including clubs and visits, can make towards a pupil's education.

Bramingham Primary School aims to:

- Have robust, processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will & will not be made
- Offer a range of activities and visits whilst minimising the financial barriers that may prevent some pupils from taking full advantage of these opportunities.

Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England.

It's also based on guidance from the DfE on [statutory policies for schools and academy trusts](#).
