

### **English**

We will be studying 'Jack and the Beanstalk' and creating our own 'defeat the monster' stories.

We will also be learning about non-fiction explanation texts based on life cycles.

### **Science**

We will be learning about what plants need in order to grow and stay healthy. We will be observing and describing how seeds and bulbs grow into mature plants.

### **Maths**

We will be continuing to learn about multiplication and division, before moving on to measurements (length, height, mass, capacity and temperature).

## **Year 2**

### **How have things changed and why?**

### **Spring 2**

### **Music**

We will be learning about 'reggae'. We will be using the song Zootime by Joanna Mangona to support the unit. We will be listening, improvising, appraising and completing different musical activities.

### **History**

We will be exploring the question - What is the history of Bramingham? This is the study of Bramingham Primary School and the local area.

### **PSHE**

We will be studying the question - How do we recognise our feelings? Exploring health and wellbeing.

### **Art**

We will be studying the question - How can we make a 3D object (pot) from clay? This has a sculpture focus linked to the artist Esther Mahlangu.

### **Computing**

We will be learning about digital photography. We will be capturing and changing digital photographs for different purposes.

### **PE**

In our indoor lessons we will be exploring the movements of minibeasts through dance.

In our 'Mighty Movers' outdoor lessons, we will be completing running activities with balance and co-ordination.

### **RE**

We will continue to learn about the religion of Judaism. We will explore more special objects and learn about special times for Jewish people.
