

English

We will continue to develop our understanding of sentence structure by exploring key grammatical elements such as nouns, subjects, verbs and pronouns. We will begin to join clauses using coordinating conjunctions.

Science

We will be learning how animals have offspring which grow into adults. In preparation for our learning in the Spring Term, we will be planting bulbs.

Maths

We will learn to add and subtract numbers using concrete objects, pictorial representations and mentally. We will be learning to partition a number into two parts in order to use number bonds to 10 to simplify a calculation. Please continue to encourage your child to Doodle.

Autumn 2
Why did London burn?
Year 2**Music**

We will be learning to sing a variety of festive songs in preparation for our Nativity. We will also be appraising songs linked to our work on the song Ho-Ho-Ho.

History

We will be learning about The Gunpowder Plot and the Great Fire of London. We will learn about the key events and key people.

PSHE

We will be learning about what bullying is and how we can be kind to others.

Art

We will explore monoprinting using Styrofoam using William Morris and his wallpaper prints as the inspiration. We will also use similar printing techniques to produce a class display.

Computing

We will be looking exploring how music makes us think and feel. Children will be making patterns with percussion instruments and digital tools.

PE

Indoor PE - We will be exploring dancing to different rhythms and tempos, finishing with a performance to our peers.

Outdoor PE – Invasion games.

RE

We will be learning about why we celebrate significant times. Our focus will be on Christmas, Diwali and Hannukah.
