

English

We will be looking at the play 'Macbeth' by William Shakespeare.. We will be learning how to develop suspense in our writing and writing poetry. We will also be writing a discussion text about one of the key themes in Macbeth.

Our comprehension sessions will include a variety of texts from different genres.

Music

Focusing on jazz music and learning to play simple songs on the recorder.

Art

The children will be developing their drawing skills and clay techniques.

They will be designing and making an abstract clay sculpture inspired by the modern sculptors, Henry Moore.

Science

We will be developing our knowledge and understanding of electricity. We will be learning about electrical circuits and how to represent these as diagrams, using circuit symbols. We will be asking questions and investigating these (such as 'How can we change the brightness of a bulb?').

Year 6 – Autumn 2

To what extent do your actions define your character?

Geography –

Energy – How do we power the world?

Sustainable world: Does it matter how we live?

PSHE How can we keep healthy as we grow?

We will be continuing to learn about how we can keep ourselves healthy (physically, emotionally and socially) as we become more independent.

Computing

What makes a good website? Designing and creating webpages..

We will also be creating a stop-motion animation linked to Macbeth.

RE

Christian beliefs in God being loving and Holy.

Maths

We will be focusing on:

- Dividing by 1 and 2 digits
- Fractions involving all 4 operations.
- Multi-step problem solving
- BIDMAS
- Introduction to percentages
- Regular arithmetic practice

French

We will recap what has been learnt so far.

We will be learning how to describe our daily routines. This will include using time in our sentences. We will also use connectives to expand our sentences.

PE

In the children's indoor lesson, they will be focusing on Dance Through The Decades

In their outdoor lesson, they will be focusing on Invasion Games.
