

English

We will be exploring persuasive writing through the non-fiction text 'A Beginner's Guide to Choosing the Perfect Pet'. We will learn how authors use facts, opinions and persuasive language to influence the reader, before writing our own persuasive letters. We will also be exploring character descriptions in Stig of the Dump, using descriptive language to create vivid and detailed characters.

Class reader: A Beginners Guide to Choosing a Perfect Pet

Music

We will be having weekly visits from Luton Music Service, learning how to play the Recorder.

DT

We will be learning about food technology and healthy eating. We will explore nutrition and balanced diets, before developing our cooking skills and making our own vegetarian pasta meal.

Science

We will compare and group together different kinds of rocks based on their appearance. We will also learn how fossils are formed and recognise that soils are made from rocks and organic matter.

Autumn 2

Year 3: How did life in Britain change from the Stone Age to the Iron Age?

History

We will explore how life in Britain changed from the Stone Age to the Iron Age. We will learn about how people lived, the tools they used and how farming and settlements developed over time. We will also investigate how we know about the past using archaeological evidence.

PSHE

We will look at how to understand and manage our feelings. We will learn to recognise emotions, understand triggers and explore strategies to help us regulate our feelings and seek support when needed.

RE

We will be exploring how festivals and family life show what matters to Hindu people. We will learn about Hindu beliefs and traditions and how these influence daily life.

Maths

We will be adding 2 digit and 3 digit numbers and subtracting a 2 digit number from a 3 digit number. We will then be using arrays for multiplication and learning about sharing and grouping for division.

Please support your child at home to learn their 2,3,4,5 and 10x tables.

French

We will be learning different greetings to use at different times of the day. We will then be learning classroom instructions.

PE

We will learn the skills of keeping possession and teamwork and apply these to invasion games. In dance, we will create our own moves around the theme of 'Extreme Earth'.

Computing

We will be building and using branching databases to group objects using yes/no questions.
