

## English

### Fiction

How to train your dragon - a journey/finding story, focusing on speech and narrative

### Non-fiction

Non-chronological report on their own dragon

Setting toolkit:

Figurative language to include personification, pathetic fallacy, and metaphor. Use senses.

Varied sentence length to engage the reader and add detail.

Create a 'mood' through detail

Appropriate adjectives and adverbs

Speech toolkit:

Correct punctuation

Embedded speech with appropriate verbs and adverbs

## Music – 'Music and Me'

This unit focuses on inspirational women working in music, and part of Brighter Sound's pioneering gender equality initiative 'Both Sides Now'

## Art

The children will be developing their drawing skills by exploring how to draw faces accurately.

They will then produce a mixed-media self-portrait which represents them.

## Science - Living Things and their Habitats.

We will be learning about classifying and identifying plants based on specific characteristics. We will also find out about the different types of micro-organisms and how they can be useful as well as harmful. Throughout, we will be carrying out scientific enquiries to develop our science knowledge and skills.

## Year 6

## History

This unit will focus on the Viking [and Anglo-Saxon] struggle for the Kingdom of England. The children will gain an understanding of Viking life and why they have a bad name.

## PSHE How can the media influence people?

We will be continuing to look at how influential the media (including social media) is and learning about how/why it can have limited reliability. We will also be continuing to look at internet safety.

## Computing

Introduction to Spreadsheets. The children will be taught how to apply formulas that include a range of cells and apply formulas to multiple cells by duplicating them.

## RE

How do Christians decide how to live?  
'What would Jesus do?'

## Maths

We will be covering a wide range of mathematical concepts including:

Factors, multiples, square and cube numbers

Missing numbers

Percentages

Measure – length, mass, capacity

Data – averages, tables, graphs

and diagrams

Angles

## French

The children will learn how to tell the time: o'clock, half past, quarter past, quarter to and 5-minute intervals.

## PE

Outdoor - Striking and fielding (cricket)

Indoor - Sport for all
