

English

Our fiction Talk for Writing text is Ridiculous! We will be learning more about winter through this story.

We will also be creating a non-fiction text about winter.

The children will continue to develop their handwriting, focussing on letter size and presentation.

Music

Children will be learning a new song- 'In the Groove' which allows children to experience different music styles. The children will continue to play the glockenspiel to accompany the song.

Art

The children will be exploring colour, pattern and shape using different brush size in painting, producing work inspired by famous artists.

Science

Children will be developing their knowledge of seasonal changes further whilst learning about the weather.

Year 1 – Spring 1 **What's special about winter?**

Geography

We will start by thinking like a geographer to notice, locate and explore signs of winter around our school. We will then focus on where we live, how we read maps and plan routes.

Computing

Children will create media using digital tools. They will use technology purposefully to create, organise and retrieve their work.

RE

We will continue to explore Faith and God. We will focus on basic courtesies and why these are important in everyday life.

Maths

The children will be learning about place value and addition and subtraction within 20.

PSHE

The children will learning about money; what it is, where it comes from and what we do with it. We will also be exploring how we grow and change.

PE

Indoor PE will be gymnastics and the children will be developing anticipation and reaction when catching a ball during their outdoor lessons.
