

### **English**

Our work will be based on the wordless book, 'The Quest' by Aaron Becker. We will be writing a journey story, focusing on settings.

We will also be writing a discussion piece on whether or not we should build a new playground on our school field.

In our reading comprehension lessons, we will continue to develop a range of different reading skills with a focus this term on inference.

### **Music**

We will be having weekly visits from Luton Music Service learning to play the recorder.

### **DT**

We will be designing, making and evaluating cushions.

### **Science**

We will be learning about light and dark, thinking about reflective surfaces and staying safe in the sun. We will also be exploring patterns in shadows.

## **Autumn 1 Year 3 What can maps show us?**

### **Geography**

We will be revisiting our knowledge of the UK, continents, and oceans of the world. We will also build on our geographical skills and fieldwork through map work.

### **Computing**

We will be developing our understanding of digital devices, with an initial focus on inputs, processes and outputs. We will also be comparing digital and non-digital devices.

### **RE**

We will be questioning where, how and why do people worship within the Christian, Muslim and Jewish faiths.

### **Maths**

We will be learning about the place value of numbers and building on our addition and subtraction skills.

### **PSHE**

We will be learning how to keep ourselves safe at home and in school. This includes keeping our bodies safe, personal hygiene, staying safe around medicines and household products.

### **PE**

We will be refining our athletic techniques in active athletics and developing agility and co-ordination during fitness frenzy!
